

Our Privacy Policy

Customer and contact information register

Content of the register

The following information is registered: name, e-mail address, telephone number, address and company or organization and job title.

Contact information is available to Merinova Ab's personnel as business card catalogs and contact lists as well as by e-mail.

Why we deal with personal information

We deal with our customer and contact information to handle our customer relationships and partnerships, create new business and cooperation relationships between different companies and organizations, and arrange various events.

Where personal information is collected

Information can be obtained from individuals themselves through personal contact or appointment, as well as in connection with various events and events.

Delivery of contact information

We will send event invitations at our home and abroad events to our customers and partners. Listed aggregated lists and the contact details of the participating companies will be handed over to the event organizers.

To create new business relationships, we will release contact information to third parties as needed.

The contact details of the parties involved in the projects will be provided to the funding agencies in connection with project reporting.

Registered Rights

If you would like to know what kind of information is in our register for yourself, submit a review request in writing to our e-mail or by mail, see the "Contact" section of our website.

At your request, we correct or remove incorrect or outdated information.

As a registered user, you have the right to limit the processing of unauthorized or incorrect information or if you have objected to the processing of information unless you need information.

- due to the preparation, presentation or defense of legal claims
- in the public interest
- to protect the rights of someone else

Right to object

You have the right at any time, based on your specific personal circumstances, to object to the processing of your personal data. In that case, we will no longer be able to process your personal information unless there is a significant and justified reason for processing that overrides your interests, your rights and your freedom, or if the processing of information is necessary to formulate, present or defend legality.

Right of appeal

If you believe your personal information is processed in violation of the Data Protection Regulation, you can lodge a complaint with the supervisory authority. Up-to-date contact information and advice can be found on the Data Protection Authorized Website at www.tietosuoja.fi.

Oy Merinova Ab does not target profiling for its customers or partners or other automated decision-making.
